

FORT SASKATCHEWAN PUBLIC LIBRARY

BYLAW #2

At the March 1995 Library Board meeting, the Personnel Committee was asked to review all the Library policies and recommend any changes they felt were necessary. The Committee studied the policies and decided that:

1. All references in the policies to the Fort Saskatchewan Municipal Library be changed to Fort Saskatchewan Public Library. (see attached)
2. All references to Librarian be changed to Library Director.
3. All existing policies would be retyped in a revised format. Those policies that were signed by Chairpersons who are no longer on the Library Board would have the name of that Chairperson typed on the corresponding policy.
4. All original policies would be noted that they have been retyped, and could be kept in a "Policy Archive" file to verify the authorized signature.
5. In the future, policies that are rescinded or repealed will be noted as such and dated, and will be kept in the "Policy Archive" file.

Effective March 14, 1989, the Fort Saskatchewan Municipal Library will henceforth be known as the Fort Saskatchewan Public Library; and the library board will be known as the Fort Saskatchewan Public Library Board.
